Prior to the Fall semester of 1972, The University of Texas at Arlington used a 3.0 grading system. Beginning with the Fall semester of 1972, however, the University converted to the 4.0 scale indicated above.

Repeat of Coursework: A student may repeat any course except as limited by individual colleges and schools, provided the student's most recently earned grade is below C. Coursework that is illegally repeated is indicated by Repeated: COURSE REPEAT, NOT INCLUDED IN GPA.

Grade Forgiveness Policy: Courses which have been forgiven under grade forgiveness have had the impact on GPA of a D or F earned forgiven and not included in the undergraduate cumulative GPA calculation. Forgiven grades will be included in the calculation of GPA for Latin Honors. GRADE FORGIVENESS and any changes to GPA will be noted on the transcript.

Grade Replacement Policy: Courses which have been repeated under grade replacement have had the impact on the undergraduate cumulative GPA calculation of the first grade earned replaced by that of the second grade earned. GRADE REPLACEMENT and any changes to GPA will be noted on the transcript.

Grade Exclusion Policy: Courses which have been excluded under grade exclusion have had the impact on GPA of the first D or F earned excluded from the undergraduate cumulative GPA calculation. Excluded grades will be included in the calculation of GPA for Latin Honors. GRADE EXCLUSION and any changes to GPA will be noted on the transcript.

Unreported Grades: Grades that are not reported to the Office of Admissions, Records and Registration during the grading period appear on the transcript as blank, and will remain blank until a permanent grade is assigned by the teaching faculty and department.

Incomplete Grades: Students unable to complete all assigned work in a class in the semester in which it was taken may, at the discretion of the instructor, receive an Incomplete (I) grade. Incomplete courses are indicated by a grade of I with no credit hours earned.

Course Identification: Courses at UT Arlington are designated by a combination of letters and four digits. The letters indicate the department, or area within a department, that offers the course. The first digit indicates the level in which the course is usually taken (freshman, sophomore, etc.). The second digit denotes the semester hour credit the course yields. The third and fourth digits distinguish the individual course.

Academic Standing: A student is eligible to continue or return unless an academic message to the contrary appears on the transcript. A student is in good academic standing unless a contradictory academic message indicating Warning, Probation, or Dismissal appears on the transcript.

In accordance with the Family Educational Rights and Privacy Act of 1974, this record cannot be released to a third party without the written consent of the student.
